CAD DESIGN SERVICE:

Our furniture designers will work with you to develop eye-catching hotel interiors. Our designers use the SolidWorks CAD software package to produce practical designs that are both beautiful and robust.

FIELD MEASUREMENT&ON-SITE INSTALLATION SERVICE

Field measurement and installation

Our project Managers are well experienced in prospecting on-the-spot. When it's necessary, our project managers have sufficient experience to do measurements by themselves on the spot to preview any potential problem, and fix it by all means.

If necessary, we can arrange a professional indoor installation team to the site and provide installation and on-site guidance services, to ensure your hotel open in a perfect situation.
